EDUCATION

Massachusetts College of Art and Design, Boston, MA. B.F.A, Independent Major 2008
Marshfield High School, Marshfield, MA. Diploma 2004

EMPLOYMENT

- Student Ambassador and Technical Advisor for The Rice Company's Microsoft campaign. Responsibilities included touring throughout the United States promoting Windows 7 in a mobile tradeshow booth at universities. Maintaining technical aspects of the promotion, and training local student representatives to share the softwares various features.
- Staples Copy and Print Center. Responsible for communication and timely turnaround of all projects in the copy center. Often reformatting files to fit specific printing criteria. As well as maintaining the self service area, and often explaining "how to turn that paper your holding into a pdf."
- Design Ambassador and Production Assistant for Cut&Paste Digital Design Tournament 2009. Responsibilities included organizing press, judges, and contestants for the Boston event, as well as touring Europe to handle live event production and logistics.
- Designing custom graphics for bands, select clients include Dropkick Murphys, Motley Crue, Jay -Z, Wu-Tang Clan, and The Police.
- Contracted to do illustration and design work for MTV.com, The New Yorker, Kaiju Big Battel, Street Attack Inc., The Berwick Research Institute, Earth Day Network, and Somerville Arts Council.
- Creator & administrator of www.icecreampeople.org. This project has become a resource for networking among artists and creatives, as well as a vehicle for ice cream advocacy.
